- If you are unable to attend an appointment, please let us know 24-hours in advance so we can offer your treatment time to another patient and reschedule your appointment.
- When an appointment is not kept and proper notice is not given, three people are affected:
 1. You – because you are not receiving the treatment you need.
 2. Your physical therapist – as their time had been reserved for you personally.
 3. Another patient – who could have been seen if proper notice had been given.
- There will be a **\$60.00** charge for canceling an appointment with less than a 24-hour notice or for not showing for an appointment.
- If you do not show for two or more appointments, we reserve the right to cancel your future appointments.
